

thank you

Your participation in the 14th Annual Prospera Golf Classic in support of The Centre for Child Development raised a grand total of \$21,300!

Heartfelt thanks from both The Centre for Child Development and Prospera Credit Union and Insurance Agencies! Proceeds from this event will go directly toward more and better services for the kids.

We look forward to seeing you again next year! We've ordered blue skies and sunshine for Thursday, July 15, 2010, so please mark your calendar!
